

From time to time we are likely to step back to see where life has taken us. It's human nature to want to be certain we've had a positive impact on our families, friends and community.

The Legacy Society is one way to ensure that you will continue making a difference in your community.

Our Mission is to raise, strengthen, and distribute permanent charitable funds to benefit Clark County.

Our Vision is to help donors and our community improve the quality of life for all Clark County residents now and for generations to come.

If you are in the process of making or revising your estate plan, we hope that you will consider a gift to the community through the Springfield Foundation. Please contact us today at 937-324-8773 or visit us online at springfieldfoundation.org to get started.

Through his legacy gift, Dr. Roland Matthies (3rd from the end), has provided for a family tradition that will sustain his giving spirit.

THE LEGACY SOCIETY

The Legacy Society of the Springfield Foundation was established for people who want to make a gift that will benefit their community for generations to come.

ENDURING IMPACT

A Legacy Gift is a commitment made by an individual now, to be acted upon only after their lifetime, usually through their estate. For instance, gifts may include bequests, trusts, or annuities. Individuals may also mention the Foundation as a partial or whole beneficiary of a life insurance policy or retirement account. An endowment is created that will help make an impact forever.

YOUR SOCIETY MEMBERSHIP

You can become a member of the Legacy Society by letting us know you have chosen to make a planned or deferred gift to the Springfield Foundation. When you choose to include the Foundation in your estate plan, you may designate where your financial support would best suit your interests. You could support scholarships, specific organizations, or specify an unrestricted gift to be used wherever the need is greatest.

Members of the Legacy Society are recognized at our annual event and are included in our annual reports to the community. Those who wish may maintain their anonymity.

Generous in his giving throughout his life, Charles Kip understood the importance of creating a charitable legacy. Mr. Kip will continue making a difference in many lives because he included a gift to the community through the Springfield Foundation as beneficiary of his will. By providing an unrestricted gift, he has instructed the Foundation to respond to the needs of people in Clark County.

We are committed to following Mr. Kip's wishes so that his generosity will become his legacy and continue through time as a "forever gift."
