

Scholarship Funds

Springfield Foundation

For good. For ever. For all.®

Scholarship Funds empower local students to achieve their dreams. The Springfield Foundation works with you to establish the scholarship that achieves your unique charitable goals.

A scholarship is a personalized fund you create to help others advance their higher learning. With the assistance of our staff, you determine scholarship guidelines, including eligibility criteria, award amount, and selection committee. It takes \$10,000 to open a limited, non-renewable Scholarship Fund, and \$30,000 to open a standard renewable scholarship fund. As a benefit to our donors, your scholarship can be part of our general scholarship application that allows students to fill out one application for many of our scholarship funds!

It's Easy, Efficient, and Flexible

You determine the scholarship purpose and selection criteria, and we manage the details and administrative paperwork to ensure that awards are disbursed on time and in accordance with the process you identify. We keep track of your gifts and awards, keep contact with recipients and schools, as well as coordinate the application, selection, and payment process entirely.

Add to your fund at anytime. The Springfield Foundation can accept gifts of many types of assets, including cash, stock, real property, mutual funds, and closely held business interests. Your fund will only award scholarships to eligible recipients, selected by the committee you designate or our internal selection committee. This ensures that your giving goals and educational priorities are met.

Consider a Scholarship Fund if You:

- Seek simplicity and ease in your giving.
- Want to support educational opportunities, an educational institution, or a course of study.
- Want to be engaged in your philanthropy by creating guidelines and eligibility for recipients.
- Want to honor or memorialize a loved one.
- Wish to create a legacy of generosity toward educational endeavors.
- Choose to invest in the future of our community by offering students the support they need to achieve their educational goals.

We're Here to Help!
